

NETWORK FOR EFFECTIVE EVIDENCE-BASED DEVELOPMENT

DEV SKILLS BOOTCAMP

Join us for a day of **interactive workshops** to bring you up to speed with the latest in evidence-based development, **led by practitioners** from the World Bank, J-PAL, and more.

Friday, November 6
10:00 am - 5:00 pm

Yale University
New Haven, CT

Sessions will cover:

- The basics of cost-effectiveness analysis
- Leveraging AI in development
- Navigating the philanthropic landscape
- Being strategic in your job/internship search
- Hands-on survey of quant and qual methodologies

We welcome applications from graduate students who want to:

- Gain expertise in current topics in development
- Explore career options in the field
- Network with NEED members and practitioners

Application and logistics:

- Apply by 11:59pm ET on Sunday, October 18
- Travel stipends will cover up to \$200 based on location
- One night of accommodation covered, as needed
- Reach out to needpolicynetwork@gmail.com with questions!
